

COULD YOU BEAT?

NONFICTION PICTURE BOOKS • AGES 5-9
COLT & BEAR PUBLISHING

A gorilla has the muscles. A bear can dig. You have the brains. How do you stack up?

Young readers face off against the world's most powerful animals in eight rounds of fun, fact-filled challenges. They compare their strengths, discover surprising advantages, and learn where the animal has them beat. Big muscles aren't everything: each book ends with the smartest move of all, knowing why you should never fight a wild animal.

COULD YOU BEAT A GORILLA?

Grip, tug-of-war, endurance, climbing, throwing, bite, puzzles and bed-building, plus a real-world safety challenge and a true-or-false quiz.

COULD YOU BEAT A GRIZZLY BEAR?
